# I Luv It

**DRAM**

For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it

Oh I’m on a roll oh oh
Taking it slow oh oh
I’ll make sure you never put me down
I'ma own you working from the ground

Oh, I'm feeling my vibe, don't need a reason
To set it off right, on this spot with the keys and
It's time, prove you're on top, rockin' all season
Annie are you okay? You're okay

Oh I’m on a roll oh oh
Taking it slow oh oh
I’ll make sure you never put me down
I'ma own you working from the ground

I was going crazy runnin round tryna get what’s mine
Cus anything slow on the low was a waste of my time
And so I grind almost went blind
Chasin that bread and that bread carried such a bright light
Plus I was rollin rollin I was losing my mind
I was too turnt up I didn’t know how to unwind
Then I slowed my ass down and right now I feel all right
Annie are you okay you okay

Oh I’m on a roll oh oh
Taking it slow oh oh
I’ll make sure you never put me down
I'ma own you working from the ground
Oh I’m on a roll oh oh
Taking it slow oh oh
I’ll make sure you never put me down
I'ma own you working from the ground

For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
For real tho I luv it I luv it I luv it I luv it
