

# Marry Me

DRAM

Take my hand, let's get married  
Take my hand, let's get married  
Take my hand, let's get married  
Take my hand, let's get married  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife (Hey, yeah)

Because I love you  
More and more, my day by day, my feelings grew for you  
And I say, "Ooh-ooh-ooh-ooh-ooh"  
What I had in mind is to give you all of me 'cause  
Honestly, you're all I need

Girl, I'm down on one knee  
Will you marry me? Will you marry me?  
Say, "I do" (Ooh-ooh-ooh)  
Got me down on one knee  
Will you marry me? Will you marry me? Will you marry me?

Take my hand, let's get married  
Take my hand, let's get married  
Take my hand, let's get married  
Take my hand, let's get married  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife (Hey, yeah)

Because I need you  
By my side and I'll provide and please you too  
I wanna get married  
Ain't no need in turnin' back the hands of time  
Baby, we're right on time  
Got no time to change my mind  
And I don't mind that you're always on my mind  
Because you're mine

Girl, I'm down on one knee  
Will you marry me? Will you marry me?  
Say, "I do" (Will you, baby?)  
Got me down on one knee  
Will you marry me? (No, no, no) Will you marry me? (One knee)  
Say, "I do" (Ooh-ooh-ooh)  
Girl, I'm down on one knee  
Will you marry me? Will you marry me?  
Say, "I do" (Ooh-ooh-ooh)  
Girl, I'm down on one knee  
Will you marry me? Will you marry me? Will you marry me?

Take my hand, let's get married (Let's get married)  
Take my hand, let's get married (Girl)  
Take my hand, let's get married  
Take my hand, let's get married (Oh, let's get married)  
I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife, have lots of kids (Hey, yeah)

I wanna make you my wife, have lots of kids (Hey, yeah)  
I wanna make you my wife (Hey, yeah)

Because I love you
