

Of Course

DRAM

Haven't I showed you how much I care all this time?
Didn't we make it here hand-in-hand, side-by-side?
Was I bein' true when I said my heart was yours?
Of course, of course, of course, of course, of course, of course
e
Do I think that the sun rises and sets on you?
Is this night gonna end next to you, sexin' you?
Can I see your soul through the windows of your eyes?
Of course, of course, of course, because they never lie
Were you there when I was down and out and helped me out
Were you my peace through my grief? Too much loss to think about
t
And did you pick me up when I fell down to the floor?
Of course, of course, of course, you did all that and more

Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah

Now we've been 'round the sun more than once, more like five
And does the moon start to smile when you step out at night?
Do I feel your love in my heart down to its core?
Of course, of course, of course, of course, of course, of course
e
Am I still in a daze since I first seen your face?
Had to press record, this memory won't fade away
When I shot my shot, was I blessed because I scored?
Of course, of course, of course, of course because I'm yours

Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah
Ah, yeah, yeah, yeah, ah, yeah, yeah, yeah

I wanna tell the whole world how much I love you
I, I want everybody to know that you my girl
I want the whole wide world to know
