

Something About Us

DRAM

It might not be the right time
I might not be the right one
But there's something about us I want to say
'Cause there's something between us anyway, bae
I might not be the right one
It might not be the right time
But there's something about us I've got to do
Some kind of secret I will share with you
I need you more than anything in my life
I want you more than anything in my life
I'll miss you more than anyone in my life
I love you more than anyone in my life

My love babe
It's real, babe
Good deal babe, all baby
It's real, it's real love, bae yeah

It might not be
It might not even be you
That's good for me but
It's something about
It's something about that, that something

I need you more than anything in my life
I want you more than anything in my life
I'll miss you more than anyone in my life
I love you more than anyone in my life

Anyone of those
Anyone of those, all three of y'all
Ain't for ya, all one
It might not be
It might not be
It might not be
It might not be
