

Standing

DRAM

Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?

But sometimes I find it very hard to settle down
So when you are not around, that means I'm not around, just in
another town
And this life I live can make it hard to settle down
'Specially how I feel right now

Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?

Part of me knows I shouldn't be thinkin' like this when it's 4
in the mornin'
That I can get up and put dick in a slut and get back and you s
till would be snorin'
But I never did it 'cause your intuition's so strong you would
know what I'm doin'
I must be greedy as fuck 'cause we already hittin' these bitche
s together, so what
And we can make love any time that I want, but I can't get enou
gh when enough ain't enough
But no, I will never leave, babe, almost got amnesia, babe
Can't forget I need you, babe, need you, babe, need you, babe (Babe)

But at times I find it very hard to settle down
When you are not around and I'm not around, yeah
This life I live makes it hard to settle down (Dance, dance, da
nce, dance)
Here I am standing right next to you, girl
Thinkin' 'bout our future, where do we go from here?

Here I am standing
