

# Sweet Like

DRAM

Hey babe, oh babe, always, babe  
Ooh, yeah, yeah

Since the first night that it was you and me  
I swear we had a very nice time, didn't we?  
I must admit that I was afraid to fall in love  
Was fresh out of a bad breakup, but you were sweet

Sweet like caramel, sweet like jelly beans  
Sweet like grenadine, sweet like a lot of things  
Sweet like ice cream, sweet like candy canes  
Sweet like purple drank (Sweet), my sweetest thing

I was sky-high when you gave me some sugar  
To be honest, it had caught me off-guard, I was shook and  
I be dilutin' all my memories, but this one stayed pure  
And I relive it every day just to make sure  
That I made the right decision in my life by putting you in it  
You fell in love in a day, well, I fell in love the first minute  
I was hittin' it, I could feel your legs shakin' in seconds  
I had fucked you like seventeen times, we were doin' them lines, I still had an erection  
Now we livin' together, bought a house and we did it together  
I'ma love you from now to forever, may the love be our witness together  
We be suckin' girls' titties together, if you with it, I'm with, it's whatever  
If you want it, I'm spendin' whatever, and you taste just like cinnamon and it's special

And it's sweet like caramel, sweet like jelly beans  
Sweet like grenadine, sweet like a lot of things  
Sweet like ice cream, sweet like candy canes  
Sweet like purple drank (Sweet, sweet), my sweetest thing

And since the first time that we had had a fight  
I knew that I was dead-ass wrong and you was right  
But tension seemed to rise so high when we're upset  
Now I'm a mess and you're a mess, sayin' things we both regret  
I can't stay away for too long  
Don't wanna argue on the telephone anymore  
I'd much rather lay you down and burn some calories  
Yeah, I'd much rather you be anything but mad at me, so  
Spread out on the mattress 'cause I'd like a taste  
Let it be the reason that you put back on your happy face  
And I must admit that every kiss from you is dipped in honey  
It turns me on each time you give one to me (That's right)

Sweet like (Oh), sweet like (Oh)  
Sweet like (Oh), sweet like (The sweetest thing in the world)  
Sweet like, sweet like (Oh, babe)  
Sweet like (My girl, sweet), my sweetest thing
