

# The Lay Down

DRAM

I prefer we go upstairs  
'Cause I want to show you my room  
And this California king size  
Feel how nice the sheets are  
Perfect thing to sleep on, or freak on  
Just in case you wanted to, baby

Cause I  
Want to lay it down with you  
And I  
Ain't trynna play round with you  
And I  
Want to lay it down with you  
And go to sleep, after we

This bedroom's nice and candle lit  
I've been in it dreaming of you  
It's like honey suckle flowers  
Stay a couple hours till the morning after  
You don't have to but I'm glad to spend the end of eve with you

Cause I  
Want to lay it down with you  
And I  
Ain't trynna play round with you  
And I  
Want to lay it down with you  
And go to sleep, after we

Bad vibrations from my phone  
Can't blow my high on airplane mode  
My services belong to you  
The signal's strong, we set the mood

I said, bad vibrations from my phone  
Can't blow my high on airplane mode  
Tonight I just belong to you  
The signal's strong, we set the mood

The signal's strong, we set the mood
