

Wham

DRAM

Damn, it's like I'm really back
Big Baby's in full effect (Wham)

Roll you like a yo-yo
Bounce it like a pogo, girl, you drive me loco (Wham)
And it's sweeter than cocoa
Never like so-so, it's more like "woah, woah" (Wham)
Spin you 'round and 'round like a CD
Fuckin' to your favorite song on repeat (Wham)
Scuba dive inside, I'm goin' deep, deep
After this, gon' put you in a deep sleep (Wham)

Give it to you if you really need it
Make you wait if you just only want it (Wham)
Guarantee that as soon as you see it
You gon' start to get a little horny (Wham)
So what we gon' do about it?
Don't wanna waste your time
Your little-bitty precious time, I'm tryna (Wham)
Girl, I'll wham you in your Camry
Then wham you on your bedsheets
That's a double whammy (Wham)

Hey, roll you like a yo-yo
Bounce it like a pogo, girl, you drive me loco (Wham)
And it's sweeter than cocoa
Never like so-so, it's more like "woah, woah" (Wham)
Spin you 'round and 'round like a CD
Fuckin' to your favorite song on repeat (Wham)
Scuba dive inside, I'm goin' deep, deep
After this, gon' put you in a deep sleep (Wham)

Three, four, and
I just can't wait to wham on you, hey
I know you felt me comin' from a hundred miles away
I know you love to laugh at all the silly things I say
I just can't wait to wham on you today, huh (Wham)
So what we gon' do about it?
Don't wanna waste your time
Your little-bitty precious time, I'm tryna wham (Wham)
First, I whammed you out your jammies
Then whammed you out your panties
That's a double whammy, whammy, wham

For real
Damn
Wham
You know what I mean? Like I'm really, really
Really back, I feel like (Wham)
It's a new leash on life, a breath of fresh air, but (Wham)
I cannot lie to you and tell you that this album is not a DRAM album, it feels like
We picked up where we left off, but (Wham)
It's a new we
I had to find new energy
I had to find people who saw my craft
At an eye-to-eye level

It might start off eye-to-eye, but whenever it
Shifts, you gotta, shift right on with it
It's a blessing that I'm here, live and direct in 4K
After all the shit I've been through
And you gon' hear it in this album, I mean
It's got a lot of passion (Wham)
It's got a lot of pain
But it's from the gut and it's real, you know what I mean?
Wham
Roll you like a-
Bounce it like a-
Girl, you gotta hear this album when it comes out
'Cause it's, it's special
You see gang in this bitch
Sound so good
Let me get the fuck out of here, man
(Wham)
