Wham
Wham
(The birds is crazy, ooh)
Wham
Wham
Wham

Roll you like a yo-yo, bounce it like a pogo
Girl, you drive me loco (wham)
And it's sweeter than cocoa, never like so so
It's more like whoa whoa (wham)
Spin you round and round like a CD
Fucking to your favorite song on repeat (wham)
Scuba dive inside, I'm going deep, deep
After this gon put you in a deep sleep (wham)

Give it to you if you really need it
Make you wait if you just only want it (wham)
Guarantee that as soon as you see it
You gon' start to get a little horny (wham)
So what we gon' do about it? Don't wanna waste your time
Your little bitty precious time I'm tryna (wham)
Girl, I'll wham you in your Camry, then wham you on the bedsheets
That's a double whammy (wham)

Roll you like a yo-yo, bounce it like a pogo
Girl, you drive me loco (wham)
And it's sweeter than cocoa, never like so so
It's more like whoa whoa (wham)
Spin you round and round like a CD
Fucking to your favorite song on repeat (wham)
Scuba dive inside, I'm going deep, deep
After this gon put you in a deep sleep (wham)

(Wham)
I just can't wait to wham on you
I know you felt me coming from a hundred miles away (wham)
I know you love to laugh at all the silly things I say
I just can't wait to wham on you today (wham)

So what we gon' do about it? Don't wanna waste your time
Your little bitty precious time I'm tryna (wham)
First I whammed you out your jammies, then whammed you out your panties
That's a double whammy (wham)

Wham
