DRAM

I'm a weekend alcoholic  
Everyday Backwood-aholic  
Every night pussy aholic  
I can't give it up  
But I'm a Morning alcoholic  
Be there early bird-aholic  
Change the fucking word-aholic  
Cause I'm a Wednesday, noon alcoholic  
Making bar moves-aholic  
Dropping bombs on you-aholic  
I'm a make something alcholic  
I'm a make money-alcholic  
Keep it 100-aholic

Cause 99 and a half won't be enough  
You 50 50 niggas bout to have it tough  
If its there's work that means workin' they gon' call me up  
I'm a come up out the uber and do my stuff

Cause I'm a worka-worka holic  
I'm a fuckin' workaholic  
Say I'm a worka-workaholic (I can't give it up)  
Say I'm a worka-workaholic  
I'm a fuckin' workaholic (I can't give it up)  
And I'm a worka-workaholic (I can't give it up)

Go to work, hey hey, now go to work aye aye now  
Go to work, hey hey, now go to work aye aye now  
Go to work

I'm a weekend alcoholic  
Everyday backwood-aholic  
Every night pussy aholic

Fuck my renters, pay my credit throw up every month

Aye aye my hands got calluses, my back is hurt aye aye aye  
This shit is legit, I owe taxes though  
They askin' when I'm on stage why I go berserk  
Everytime I step up there I get [?]

Go to work, hey hey, now go to work aye aye now  
Go to work, hey hey, now go to work aye aye now  
Go to work

Cause I'm a worka-worka holic  
I'm a fuckin' workaholic  
Say I'm a worka-workaholic (I can't give it up)  
Say I'm a worka-workaholic  
I'm a fuckin' workaholic (I can't give it up)  
And I'm a worka-workaholic (I can't give it up)
