

**7:04 AM**

**DRAMA**

Fallin' in love  
Everybody's got somebody to call  
When the night hits, you're home  
When the night hits, you're

Everybody's fallin' in love  
Everybody's got somebody to call  
When the night hits, you're home  
When the night hits, you're

You, you ignore me when the morning hits  
Moons go by and I don't hear from  
Sun don't rise, don't wanna see it  
Oh, I could live here in the  
Oh, I could live here in the  
Now that we're over  
Now that we're over and all is lost  
Now that we're over and love it just  
Now that we're over  
Now that we're over and all is lost  
Now that we're over and love it just

You, you ignore me when the morning hits  
Ignore me when  
Ignore me when  
Sun don't rise, don't wanna see it  
Oh, I could live here in the  
You, you ignore me when the morning hits  
Ignore me when  
Ignore me when  
Sun don't rise, don't wanna see it  
Oh, I could live here in the  
You
