

# Barely Friends

DRAMA

When we were young  
We were reckless and careless  
And couldn't get enough of each other  
When we were young  
We used to sleep for days  
Now we got bills to pay and we're barely friends  
We're barely friends

Sometimes I forget to call  
It's not your fault  
I'm always thinking  
Bout you even when I'm not  
You're always there you always cared  
Even when I didn't I have time to call  
You back  
An

When we were young  
We were reckless and careless  
And couldn't get enough of each other  
When we were young  
We used to sleep for days  
Now we got bills to pay and we're barely friends  
We're barely friends

An I never thought it would come to this  
Lovers just loving to love  
Lovers just fuckin' to fuck  
And I deserve much more than this  
You never say what you mean  
I never know how you feel  
And I'll prolly give up  
If you don't come to your senses  
And I  
I'll prolly never fall in love with anyone but you  
Cause

When we were young  
We were reckless and careless  
And couldn't get enough of each other  
When we were young  
We used to sleep for days  
Now we got bills to pay and we're barely friends  
We're barely friends  
(It's always the one that making love  
And it's always the one that's taking love  
And it's always the one that's breaking love  
And it's always the one that  
It's the one that)
