

Feel The Same

DRAMA

All I've ever done was love you
You're all I ever wanted
But now it doesn't feel the same

What if I never know
What if you never show up
How do I carry on

Do I settle for lust
Settle for lust
While I'm looking for love
Do I settle for lust
Settle for lust
While I'm looking for love
Do I settle

All I've ever done was love you
You're all I ever wanted
But now it doesn't feel the same
All I've ever done was love you
All I ever done
You're all I ever wanted
But now it doesn't feel the same

But now it doesn't feel the same

You were the love of my life
10 years ago last night
There's not a second in time
That I don't think about it

Do I settle for lust
Settle for lust
While I'm looking for love
Do I settle for lust
Settle for lust
While I'm looking for love
Do I settle

All I've ever done was love you
All I ever done
You're all I ever wanted
But now it doesn't feel the same
All I've ever done was love you
All I ever done
You're all I ever wanted
But now it doesn't feel the same

But now it doesn't feel the same
