Drapht

Hey hey hey, Hollywood  
Hey hey hey, Hollywood  
Hey hey hey, Hollywood  
Hey hey hey, Hollywood

Another coyote on the Hollywood Hills  
Can you tell me what is real, little mademoiselle  
Another coyote caught chasing its tail  
All your drama was built for TV  
Ain't no gold beneath the silver screen  
Hey

Bruce Wayne so glad to see you man  
Just saw a dude with a gun run towards some nuns  
Towards some young kids with a litter of kittens  
Come on help, then he goes "get lost Mel  
Gibson what the fuck you drunk"  
"Go put a shrimp on the barbie or something"  
"It's tough being Batman, go take a leap Hugh Jackman"  
You think I fucking wanted this? Walking around on Sunset Strip?"  
"Summer heat, in this suit, is this what my life's come to?"  
"I was an actor, now I clown around for chumps like you"

I don't want no trouble, I'm a lover I don't wanna fight"  
I know you know Robin we brother's from other mothers, guy  
And the host of The Apprentice he was your leader  
So we're all screwed without a prenup

And I don't feel like  
Fighting coyote from the Hollywood Hills  
But can you tell me what is real, little mademoiselle  
Another coyote caught chasing its tail  
All your drama was built for TV  
Ain't no gold beneath the silver screen  
Hey

Hey hey hey, Hollywood  
Can you tell me what is real, little mademoiselle  
Hey hey hey Hollywood  
Another coyote caught chasing its tail  
Hey hey hey, Hollywood  
Can you tell me what is real, man?  
All your drama was built for TV  
Ain't no gold beneath the silver screen  
Hey

Sunshine home of the dreamers  
Whole city sitting around a casting couch reading  
Scripts are being passed around freely  
But the most important role to play yourself  
No one wants to apply within  
In tens they hike under the sign  
Is it a sign of the times or to hide the horse shit  
Distract from the misfortune  
Black Range's, tinted windows  
Driving around their coffins  
(Look up in the sky it's a bird, it's a plane)

Dah dah dah dah

It's another coyote on the Hollywood Hills  
But can you tell me what is real, little mademoiselle  
Another coyote caught chasing its tail  
All your drama was built for TV  
Ain't no gold beneath the silver screen  
Hey
