

Just A Segue

Drapht

You need to have a day like this that'll rain like this
To know when to change
Said, you need to have a day like this that'll rain like this
To know when to change
Like me

This was just a segue to something more beautiful
This was just a segue to something more beautiful
This was just a segue to something more beautiful
This was just a segue to something more beautiful
This was just a segue to something more beautiful
This was just a segue to something more beautiful
DJ, let the music play
