

Robbery

Drapht

I guess I'll never know
I guess I'll never know
I guess I'll never know

Another weekend, a new story
I found a diamond in the dark that's mine
We started speaking, small talking
Tiptoeing over borderlines

She left her lipstick on my cheek
I turned around, she vanished in a blink
She's home to me, I can barely sleep
I'm looking for, oh wait that's her, stop that girl

Hey, there's been a robbery
She stole my heart, she had enough of me
I was like hey, there's been a robbery
She stole my heart, she had enough of me, and now it's
Everywhere I go, everywhere I go
I put up wanted signs
I said hey, there's been a robbery
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess, I guess

I guess she stole a little piece of my heart
Like it was a priceless piece of art
Like a car without a key
I can't start my day without a piece of her
Think of her, drink of her
See her face in everything I seem to do
Am I worse off from meeting you
I'm thinking so
I drink alone now
Who do I vent to
You left, you left this hole up in my heart
Chest feels like a guest room
So empty never felt so unrested
They just suggested I best congest
Some of that death medicine to get you out of my head again
Hey, that's her

Hey, there's been a robbery
She stole my heart, she had enough of me
I was like hey, there's been a robbery
She stole my heart, she had enough of me, and now it's
Everywhere I go, everywhere I go
I put up wanted signs
I said hey, there's been a robbery
I guess I'll never know

Another weekend, no new stories
There's no diamonds in the darkest mine
No more speaking, no more talking
No tiptoeing over borderlines

She left her lipstick on my cheek
I turned around, she vanished in a blink
She's home to me, I barely ever sleep
I'm looking for, oh wait that's her, stop that girl

Hey, there's been a robbery
She stole my heart, she had enough of me
I was like hey, there's been a robbery
She stole my heart, she had enough of me, and now it's
Everywhere I go, everywhere I go
I put up wanted signs
I said hey, there's been a robbery
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
I guess I'll never know
Wait, that's her, stop that girl
