

Tomorrow Today

Drapht

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
Why do you always smell like rain?
The words you say can take you to Hell or on holiday
Don't you know you're painting tomorrow today
Yeah, yeah, yeah, yeah, yeah, yeah yeah

See everybody wanna get love, no one wanna budge being miserable
In a dismal job on a criminal minimal wage, but quitting is unthinkable
Yeah, you could walk dogs, probably get paid more (Hey boy!)
Instead of working all day for an A-hole
Main aim is to build an everyday
Where I don't need to take vacations or day offs (Hey boy, hey boy!)
And you could be a hater but you're living in Australia
Only thing you gotta escape, the snakes and the eight-legged white-tails
I mean Peter Helliar
Hey, you know who would trade with yah? Every Ukrainian
Dealing with a maniac every single day
Complain 'bout an 8 minute wait with your Subway?
While they wait three days for a train, did you miss that?

All we need is a little time
To feel that morning sun
I know you ain't the only one

Why do you always smell like rain?
The words you say can take you to Hell or on holiday
Don't you know you're painting tomorrow today
Yeah yeah yeah yeah yeah yeah yeah
Why do you always smell like rain?
It's safe to say you get what you want and no one's to blame
Don't you know you're painting tomorrow today
Yeah yeah yeah yeah yeah yeah yeah

Hey brosef, if you don't feel great, jump in the ocean
Let the big Panadol sort your emotions
Take a day off from the Covid news
Hey I wrote a poem for you, it goes:
"A fish has too many bones, a watermelon has too many seeds
Only way to unfuck your life is if you focus on the better things", you like
it?
But if you fight with your darkness, like a dog chasing its' tail on the car
pet
Put in energy to end up in the same place, like working seven days a week wi
thout a payday (Oh, that's pretty dumb!)
Hey and all those self-help books that you finished
The ones on forgiveness and sorting out feelings
Hey, were they in English? 'Cause

Why do you always smell like rain?
The words you say can take you to Hell or on holiday
Don't you know you're painting tomorrow today
Yeah yeah yeah yeah yeah yeah yeah
Why do you always smell like rain?
It's safe to say you get what you want and no one's to blame
Don't you know you're painting tomorrow today
Yeah yeah yeah yeah yeah yeah yeah

You still complain that your glass is always half empty (Empty!)
I can just go fill it up if you want me to, I'm going to the tap right now (
To the tap right now!)
But if I come back and you still hang around
Better not be standing underneath that cloud, cloud, cloud, cloud cloud clou
d

You see all we need is a little time
To feel that morning sun
I know you ain't the only one
Who can't feel that morning sun
Who can't feel than morning sun, sun, sun, sun sun sun
