

Firefly

Drax Project

(Zoovier)
Mm-mm-mm-mm-mm
(Yea baby)

Hey little firefly
It's alright put your light on me
I know what you like
Take some time, burn it out
Don't wait till the morning I'd rather use all our energy (Huh)
Little firefly (Yea baby)
It's alright put your light on (Ay)

Get your brand new ice how you looking like a light pack baby (Ooh)
Huh yea, tell me how you like that baby
Get it once and I promise you'll be right back baby, huh yea
Tell me how you like that baby
I'm like ooh girl you shine so bright (Shine)
Something like a firefly
Ooh girl I love your light (Shine)
Baby won't you spend the night?

Hey little firefly (Ooh baby)
It's alright put your light on me (Put your light on me)
I know what you like (Ooh yea)
Take some time, burn it out
Don't wait till the morning I'd rather use all our energy (All our energy)
Little firefly (Yea baby, ay)
It's alright put your light on (Squad)

I'll fly you overseas
Miami to Paris
Fall in love every night
You can lay it all on me, yea
I don't usually run too hot but help me out I'm burning up 'round you
It's just what you do

Hey little firefly (Yea yea)
It's alright put your light on me
I know what you like (Ohh)
Take some time, burn it out
Don't wait till the morning I'd rather use all our energy
Little firefly (Yea baby)
It's alright put your light on (Firefly)

Put your light on (Mmm)
Put your light on me (Ooh)
Put your light on me (One more time huh, yea)

Hey little firefly
It's alright put your light on me
I know what you like
Take some time, burn it out (Take some time burn it out for me)
Don't wait till the morning I'd rather use all our energy (All your energy)
Little firefly (Yea-ea-ea)
It's alright put your light on

Mm-mm-mm

Put your light on (Put your light on me)
It's alright put your light on
Don't wait till the morning I'd rather use all our energy
Little firefly (Ooh baby)
It's alright, put your light on
