

Only Us

Drax Project

Looking over, we could never be
Unspoken, I can't even breath
When I'm with ya, I don't want to see
You kiss another, so I fall down

And I'm hating me
'Cause I don't give up
Got to tell you please
Can we take a walk and talk? hmm

Do you wa-a-a-a-ant, my lo-o-o-o-ove?
Cause it's o-o-only us, and I don't share well
Do you wa-a-a-a-ant all of my lo-o-o-ove?
Cause it's o-o-only us, and I don't share well

Do you wa-a-a-a-ant, my lo-o-o-o-ove?
Cause it's o-o-only us, and I don't share well
Do you wa-a-a-a-ant all of my lo-o-o-ove?
Cause it's o-o-only us, and I don't share well

Hidden under, I can hardly see
Should we wait for, everyone to leave?
Not sure where this is gonna lead
Tell me, tell me please, why do I fall down?

And I'm hating me
Cause I don't give up
Got to tell you please
Can we take a walk and talk? hmm

Do you wa-a-a-a-ant, my lo-o-o-o-ove?
Cause it's o-o-only us, and I don't share well
Do you wa-a-a-a-ant all of my lo-o-o-ove?
Cause it's o-o-only us, and I don't share well

Do you wa-a-a-a-ant, my love? mmm
Tell it to me, yeah
Oh do you want me? Oooh
Cause it's o-o-only us, and I don't share well

Do you wa-a-a-a-ant, my lo-o-o-o-ove?
Cause it's o-o-only us, and I don't share well
Do you wa-a-a-a-ant all of my lo-o-o-ove?
Cause it's o-o-only us, and I don't share well

Do you wa-a-a-a-ant, my lo-o-o-o-ove?
Cause it's o-o-only us, and I don't share well
Do you wa-a-a-a-ant all of my lo-o-o-ove?
Cause it's o-o-only us, and I don't share well
