

Smart Love

Drax Project

Got a bit lost on the way to who I am
Thought I was tough, didn't want love
Didn't put it in my plan
And I know that some guys treated you like that
And I promise that I don't wanna be like that anymore

So stop your worrying
I think you think too much
Know they all let you down
But girl that isn't us

We got that smart love
We ain't gonna mess it up
Because we learned from
The ones that we fucked up
But they were practice
Being stupid being dumb
But now we got that, now we got that
We got that smart love
Head over heart love

Got a bit lost on the way to who you are
Giving too much
Tryna find love
But it only broke your heart
And I hate that some guys treated you like that
And I promise that I don't wanna be like the ones before

So stop your worrying, mm
I think you think too much
Yea I know they all let you down
Mmm but girl that isn't us

We got that smart love
We ain't gonna mess it up
Because we learned from
The ones that we fucked up
But they were practice
Being stupid being dumb
But now we got that, now we got that
We got that smart love
Head over heart love

Head over heart love
(We got that smart love)
Head over heart love

We got that smart love (yea)
We ain't gonna mess it up
Because we learned from
The ones that we fucked up
But they were practice
Being stupid being dumb
But now we got that, now we got that

We got that smart love
We ain't gonna mess it up

Because we learned from
The ones that we fucked up
But they were practice
Being stupid being dumb
But now we got that, now we got that
We got that smart love

Head over heart love
We got that smart love
Head over heart love
We got that smart love
