

Born in Hell

Dream Evil

Killing for no reason
Killing just for fun
Raised by purest evil, so he hated everyone
Evil like a demon
He'll take on any force
Slaying like a monster without mercy or remorse

Wish you'll never meet
'Cause if you do, you won't live to tell

Born in Hell
Evil to the core
Born in Hell
His goal, to make you suffer
Born in Hell
Torturing your souls
Born in Hell
A demon born in Hell

Fathered by the devil
Mothered by a whore
Learnt that evil was the only way to stay hardcore
Slaughter is his passion
His partner is his blade
He learnt the way since childhood by the master of the trade

Wish you'll never meet
'Cause if you do, you won't live to tell

Born in Hell
Evil to the core
Born in Hell
His goal, to make you suffer
Born in Hell
Torturing your souls
Born in Hell
A demon born in Hell

His goal to make you suffer, his need to cause you pain
He wants to tear your heart out and put needles in your brain
He watch you every hour, every minute of the day
There is no escaping no matter what you say

Born in Hell
Evil to the core
Born in Hell
His goal, to make you suffer
Born in Hell
Torturing your souls
Born in Hell
A demon born in Hell

Born in Hell
Evil to the core
Born in Hell
His goal, to make you suffer
Born in Hell

Torturing your souls
Born in Hell
A demon born in Hell
