Insane

Dream Evil

Get out of my life, get out of my sight
I don't want to feel your presence
The damage you've done, I can't overcome
You're to blame
You thought I was fooled, that I didn't know
That you could do whatever
But you were wrong, you are the fool
I know

Don't wanna see you
Don't wanna hear your name
Don't wanna feel you take my hand

You are insane
Don't ever say my name
Just take the shame
There's no one else to blame
So stay away
Don't want to see your face
You are insane
So leave me be

So take all your stuff, get out of my house
I can't take your lies no more
And don't you cry, your tears don't bother me
You scary snake, you slimy cod
Don't come knocking
To me, you are dead
You made your bed those nights

Don't wanna see you
Don't wanna hear your name
Don't wanna feel you take my hand

You are insane
Don't ever say my name
Just take the shame
There's no one else to blame
So stay away
Don't want to see your face
You are insane
So leave me be

Don't need your love
Don't need your love
Your heart is cold and rotten
Get out
Get out
You're full of lies

Don't wanna see you
Don't wanna hear your name
Don't wanna feel you take my hand

You are insane
Don't ever say my name
Just take the shame

There's no one else to blame
So stay away
Don't want to see your face
You are insane
So leave me be

There's no one else to blame
So stay away
Don't want to see your face
You are insane
So leave me be
