Metal Gods

I sold my soul to rock n roll
But metal really heed the call
When Priest Unleashed in the East

It took my soul and blew my mind
And got stronger when I found
Maidens, The Number of the Beast

They started a fire deep down in side

Metal Gods, they are made of metal
Metal Gods, dressed in chains and leather
With a dragon shield which stand the force of fire
Metal Gods, forged in devils fire
Metal Gods, lives to my desire
Bow your heads down to the righteous and mighty Metal Gods

Through '82 and '83
All masterpieces came to me
The eagle has landed in the night

I finally got the peace of mind
The universe became aligned
When Manowar released Battle Hymns

They started a fire deep down in side

Metal Gods, they are made of metal
Metal Gods, dressed in chains and leather
With a dragon shield which stand the force of fire
Metal Gods, forged in devils fire
Metal Gods, lives to my desire
Bow your heads down to the righteous and mighty Metal Gods

Metal Gods, they are made of metal
Metal Gods, dressed in chains and leather
With a dragon shield which stand the force of fire
Metal Gods, forged in devils fire
Metal Gods, lives to my desire
Bow your heads down to the righteous and mighty...
