

Mayday

Dream, Ivory

Oh
You never seem to know
I've waited for this, oh
It keeps on passing by
If you never wait it might never show

Let's get it done
I've had a little for now
No blinking, you couldn't even promise yourself
My body's numb
The point I make is to run
A little sleep till the sun goes down
Now we're out

You've had your fun
You've had your fun
You've had your fun
If I'm crying let me drown
You've had your fun
You've had your fun
You've had your fun
Now I'm tearing up the house

Oh
The feelings fade away
My troubles start today
I stayed here for the train
And it never comes but I'll always wait

Let's get it done
I've had a little for now
No blinking, you couldn't even promise yourself
My body's numb
The point I make is to run
A little sleep till the sun goes down
Now we're out

You've had your fun
You've had your fun
You've had your fun
If I'm crying let me drown
You've had your fun
You've had your fun
You've had your fun
Now I'm tearing up the house

We've had our fun, now we're tearing up the house
We've had our fun, we've had our-
