

# Scorpion

Dream, Ivory

Oh no, scorpion  
I've seen you grow  
I let you know it's not pretend  
I gave my trust, I shed my blood  
I held on tight just to end up stung  
You were my friend  
Scorpion

Oh no, you know  
That I won't be just fine  
Tonight, tonight  
I'll take your poison wine  
Oh, oh, oh  
Oh, oh, oh

Scorpion, scorpion  
This time, you win  
Scorpion
