

Solar Eclipse

Dream, Ivory

She's almost home
Guided by
The stars above

He's waiting for
Her to see
His light of love

Her Romeo
The way it goes
To meet's a must

Without his glow
The world she knows
Is blinded by the dust

Slowly
An everlasting love that comes
Slowly
Slowly
An everlasting love that comes
Slowly

The time has come
It's something for
The world to see

They meet at last
A simple touch
That yields obscurity
Becoming one
Yearning for
Eternity
Soon enough
Darkness comes
Blinding harmlessly

Slowly
An everlasting love that comes
Slowly
Slowly
An everlasting love that comes

Till' we meet again
Till' we meet again
Till' we meet again
Till' we meet a-

Till' we meet again
Till' we meet again
Till' we meet again
Till' we meet a-

Till' we meet again
Till' we meet again
Till' we meet again
Till' we meet a-

Till' we meet again
Till' we meet again
Till' we meet again
Till' we meet a-

Till' we meet again
Till' we meet again
Till' we meet again
Till' we meet a-
