

Guessing While It Goes Around

Dream Sitch

Our speaker left our organ on a loop
Our speaker left our organ on a loop
And a door flung open
To any ends still hanging loose

Open ended closing curtain
Trust it most when most uncertain
Mangey grey and slowed down
Guessing while it goes round

Guessing while it goes round
Guessing while it goes round
Guessing while it goes round
Guessing while it goes round
Guessing while it goes round
Guessing while it goes round
