

Long Rattle

Dream Sitch

The thump is married with the drum
Long rattle
Twisted up as one
Long rattle
The rhythm, the rhythm
The rhythm on the run
Re-using all the crumbs
Long, long rattle

Words are overthought in the
Long rattle
Silence is all I got
In the long rattle
Love gets caught
Connecting the dots
Long, long rattle

I need your song to play
Long rattle
All of my songs away
Long rattle
