

# Hand In Hand

Dream State

Sweetheart are you done  
On the other side? Hand in hand we fall  
Fighting for our lives

Black and blue, I feel it too, it started so young  
Intrusive thoughts and tightened jaw biting down on my tongue  
No one could pull me out all I had was myself  
I keep running into hell  
Running into hell  
Looking for God

I'll be there when you're done on the other side  
Holding hands with the rest of us  
Fighting for our lives  
In your heart you want to run  
In your head you want to hide  
Holding hands with the rest of us  
Fighting for our lives

All want to be, just want to feel loved  
All want to be, just want to feel loved  
All want to be, just want to feel loved  
I know you're going to get better

I am not my best  
Comforted by mess  
Somewhere in the blank space of my mind  
A labyrinth with no light  
And all the mountains  
They can be moved  
Push the envelope  
Work the grooves  
Strength comes from adversity  
It all starts with you and me

I'll be there when you're done on the other side  
Holding hands with the rest of us  
Fighting for our lives  
In your heart you want to run  
In your head you want to hide  
Holding hands with the rest of us  
Fighting for your life

I just want to make it all stop  
I just want to make it all stop  
I'm gonna give it all that I've got  
I'm gonna give it all that I've got  
I just want to make it all stop  
I just want to make it all stop  
I'm gonna give it all that I've got  
I'm gonna give it all that I've got  
I just want to make it all stop  
I'm gonna give it all that I've got  
Somewhere in the blank part of my mind  
My mind

So sweetheart are you done?

Can you see it's just a ride?  
Hand in hand we fall  
Hand in hand we rise  
I'll be there when you're done standing in the light  
Holding hands with the rest of us  
Fighting to survive

In your heart you want to run  
And in your head you want to hide  
We all want to be, just want to feel loved  
So hold on  
Don't let go  
Hold on  
We all want to be, just want to be loved
