

Relentless

Dream State

You built me up to bring me down
You pulled me in to push me out
You left your sense of control
You dug yourself in that hole
I climbed inside to watch you fall
You had the world and left it all
There's nothing left in that mind
You can't just leave it behind

You're a victim to your eyes
But you're relentless
And you're wasting all your light
Fuck I hate it

(I can't)
And you're going nowhere (I can't)
You're lost inside your head (I can't)
You're going nowhere (I can't)
And I can't do it again
I can't, I can't do it again
I can't, I can't do it again
(I can't, I can't do it again)

You're so far down, you're in too deep
The oceans have you now you're lost at sea
I climbed inside to watch you fall
You had the world and left it all
You lost your sense of control
It's starting to take its toll

You're a victim to your mind
But you're relentless
And you're wasting all your light
Fuck I hate it

(I can't)
And you're going nowhere (I can't)
You're lost inside your head (I can't)
You're going nowhere (I can't)
And I can't do it again
I can't, I can't do it again
I can't, I can't do it again
(I can't, I can't do it again)

It's in your head
There's nothing just dead ends
Dead ends
There's nothing left, we're dead
(Stop)
Your slipping
Open your eyes cause life is just a dream
And I can't breathe
And I can't leave you behind
Go, no I won't leave
No I won't leave you behind (behind)
So, take my hand
Take control of your life

You're a victim to your eyes
But you're relentless
And you're wasting all our lives
Fuck I hate this

(I can't)
And you're going nowhere (I can't)
You're lost inside your head (I can't)
You're going nowhere (I can't)
And I can't do it again
I can't, I can't do it again
I can't, I can't do it again
(I can't, I can't do it again)

It's in your head
There's nothing left, we're dead
It's dead
And I've reached the dead end
