Constant Motion

Dream Theater

Tunnel vision at blinding speed Controlling my thoughts, obsessing me Void of any uncertainty Throughout my very soul

Lost illusions of my control Resisting all hope of letting go Racing impulse of dark desire Drives me through the night

I try to shut it down
It leaves me in the dust
No matter what I've found
I can never get enough

Frantic actions of insanity Impulsive laced profanity Long for elusive serenity Way out of my control

Traveling through both space and time (Out of body, out of mind)
Out of control
My wheels in constant motion

Spinning round and round it goes
(I can't let up, I can't let go)
Can't stop this flame from burning
Forever more
Into the night
Blistering

Focus here, focus there Cannot see the light (Falling down through the night) Sprawling everywhere

Searching left, searching right (Panic setting in, I can no longer fight) When will this end?

Accelerate, dislocate
(Set to crash and burn, haven't got time to waste)
Not planning to return

Aggravate, agitate (When will I ever learn?)
There's no way out of here

Nowhere to turn

Obsessive yearning Compulsive burning Still never learning Insane random thoughts of neat disorder

Scattered wasteland surrounding me

Tattered memories of what used to be

Apocalyptic mind debris Until we meet again Uhh!

Traveling through both space and time (Out of body, out of mind)
Out of control
My wheels in constant motion

Spinning round and round it goes
