

# Paranoid

Dream

Can we just pretend that you're my medicine?  
'Cause now I'm finding out, you're not a friend again  
You're not a friend again  
Oh, wait, you've never been  
So will this ever end?  
You know I'm on the fence, don't be dense  
No use ever trying to hide it  
Every time I'm so excited  
Save me from the wall I might hit  
'Cause I'm on autopilot  
Don't matter where we're going  
Which way is the water flowing?  
Don't need nobody knowing

Because I'm paranoid  
Of things I can't avoid  
Just like me needing you  
So can you fill the void?  
Paranoid, 'cause I don't have a choice  
I can't stop hearing you  
So can you kill the noise?

Paranoid  
Paranoid  
Paranoid  
Paranoid  
Paranoid

Drafting at 2 AM, those texts I never send  
'Cause now I kinda doubt, that you're my friend again  
You're not my friend again  
Oh, wait, you've never been  
They don't need evidence  
Isn't it evident?

That I'm paranoid of things I can't avoid  
Just like me needing you  
So can you fill the void?  
Paranoid, 'cause I don't have a choice  
I can't stop hearing you  
So can you kill the noise?

Paranoid  
Paranoid  
Paranoid  
Paranoid  
Paranoid

Paranoid  
Paranoid  
Paranoid  
Paranoid  
Paranoid

You're not a friend again  
You're not a friend again  
Oh, wait, you've never been

Oh, wait, you've never been  
You're not a friend again  
You're not a friend again  
Oh, wait, you've never been  
Oh, wait, you've never been
