

Kill For Candy

Dreamcar

I didn't leave a thing behind
But you can't say I didn't try
I didn't take a thing with me
But please don't say you're left displeased

Miss, you misunderstand me
Me, I kill for candy

I'd left before you said goodbye
What's left to say beyond a lie?
What's on our tongues
Is less discreet
Before it dissolves
It's oh so sweet

Miss, you misunderstand me
Me, I kill for candy

Let it dissolve on your tongue
Let me dissolve on your tongue

Miss, you misunderstand me
Me, I kill for candy
