

We Rats

Dreamcar

You might see us in your doorway
When you turn out the lights
Curious to know cries
That only come at night

Though unholy we are sacred
Forever found unclean
Within the walls a heaven
We've that you will never see

We rats
We rats don't want you
Don't want you (don't want you)
We rats
We rats don't want you
Don't want you (don't want you)

You won't see us in your bedroom
You must pull back the streets
We box beneath your wanders
We swim below your feet

With those half known
You'll sleep alone
We sleep one on one on one
We'll never feed your fairytales
Or clean you with our tongues

We rats
We rats don't want you
Don't want you (don't want you)
We rats
We rats don't want you
Don't want you (don't want you)

Oh, you're no more than brittle bones
Oh, you're no more than brittle bones
Oh, you're no more than brittle bones
Oh, you're no more than brittle...

We rats
We rats don't want you
Don't want you (don't want you)
We rats
We rats don't want you
Don't want you (don't want you)

We rats
We rats
We rats
We don't want you
