

Can't Get You Out Of My Mind

Dreamcatcher

Reaching out from my sorrows
Far away from tomorrow

How many seasons have we been together
How many reasons have we left behind
Now I don't know what to do alone with all this time

It's up to you to realize
I'm waiting for you right behind
I need you now Just tell me how

I can't get you out of my mind
Can't get you out of my mind
Just can't get you out of my mind

Can't get you out of my mind

Ooh
I can't get you out of my mind
It's getting too stronger
My feelings for you

I can't get you out of my mind
I'll try to be patient
Don't want you to rush

Just can't get you out of my mind

You say we're not together
But why do you hesitate Oh why

How many seasons did we stay together
So many reasons that we could've started
Still I don't know what to do alone with all this time

It's up to you to realize
I'm waiting for you right behind
I need you now Just tell me how

I can't get you out of my mind
Can't get you out of my mind
Just can't get you out of my mind

Can't get you out of my mind

Ooh
I can't get you out of my mind
It's getting too stronger
My feelings for you

I can't get you out of my mind
I'll try to be patient
Don't want you to rush

Just can't get you out of my mind
