Don't open your eyes but look at me
All day, I'll make you stay by my side
I'll disappear the moment you wake up
Looking at your eyes is everything to me

I want to leave this moment
Because you're not here
You only remain
In forgotten memories

Lullaby, don't go today
I'll sing you this song
Even when morning comes, stay with me (every day)
I've waited here every day
But I don't know if I can tomorrow as well

Don't make me cry
Not even for a moment
Don't leave me alone
Hold my hand

Bewitched for a long time
My footsteps toward you
Trapping me forever
In the same place

Into the times where you are there
I wish I could go
My heart is going faster
Than time

Lullaby, don't go today
I'll sing you this song
Even when morning comes, stay with me (every day)
I've waited here every day
But I don't know if I can tomorrow as well

I'll never leave you alone
I try to hold onto you
But you are opening your eyes
No choice but you let you go

Lullaby, don't go today
I'll sing you this song
Even when morning comes, stay with me (every day)
I've waited here every day
But I don't know if I can tomorrow as well

Lullaby, don't go today
