The moment I close my eyes, it's black
I'm left all alone (I I I)
I open my eyes again, I wake up from my dreams
But my reality isn't different

Like a fire, fire, fire
Like easy words, words, words
Nothing goes my way, way, way
Time will probably solve it all

This moment endlessly repeats
I'm lost and wandering
But if I can reach you

Play the pipe
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
I know what you want to me

Play the pipe
Endlessly, I'm down down down for me
No time, now it's not too late
I only have you, save me now, I'm already

A silent dream
Eyes on me, ya
I don't wanna done
I'm looking for you
Don't wanna lose you
Hold your hand to me
It's not that easy
I've had a gun for a while

Like a fire, fire, fire
Like easy words, words, words
Nothing goes my way, way, way
Time will probably solve it all

This moment endlessly repeats
I'm lost and wandering
But so you can hear

Play the pipe
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
I know what you want to me

Play the pipe
Endlessly, I'm down down down for me
No time, now it's not too late

A cloudless night
If only you can become a blue fog
And embrace me
Even if I'm back on the path
I was lost and wandering on all night
Till the day you come back
I will wait

Play the pipe
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
I know what you want to me

Play the pipe
Endlessly, I'm down down down for me
No time, now it's not too late
