You're dazzling, you came into my eyes
Uh oh, I'm in trouble
Why are your eyes like that?
Why why (wah)
Can you hear my telepathy?

My breath is quickening babe babe
Show me your true heart
Keep shaking me up
Super magic ride for you

You you you you're a superstar (yeah)
Come to me more and more
To me, you're superman (yeah)
I've never felt this way before
I'm addicted, you pull me into you
Super magic superstar (fantastic)

You're my superstar
You're my superman

I'm running out of breath, about to faint

(I've already gone past my limit)
I'm running toward the moon
At the end of true love is you, alright
(It's clear, your sweet sherbet eyes)

It overflows, my heart is dizzy
The world is spinning, transcending time and space
There's something between us
An electric charge is riding my body more and more

Before my heart burns, hold me tight
Now now now
We can go all night

You you you you're a superstar (yeah)
Come to me more and more
To me, you're superman (yeah)
I've never felt this way before
I'm addicted, you pull me into you
Super magic superstar (fantastic)

What do I do?
I can't turn away from you
Falling falling, I'm riding the light
(Super magic ride for you)

Yeah, hey
