What, what, what, what □□  
Break up, break up my dream

Can't wake up from this deepening lucid dream  
(Lucid dream)  
In this dream that I'm trapped in  
(Fake a dream)  
Even if darkness comes, even if it tortures me (uh... woo...)  
Even if the burnt up sun tries to swallow me (uh... woo...)

I'm bristling like the needles of a cactus  
I'm blooming like a flower in the desert  
I'm escaping from this spell  
Waking up from this dream in a maze

Shake me up, find me the answer in this nightmare  
Hold my hand, shine a light, so I can wake up  
What, what, what, what wake  
What, what, what, what me up  
What, what, what, what now  
Break up, break up my dream

The mystery of this dream that I can't escape from (mystery)  
The message of my prayer that won't be delivered (message)

I'm disappearing like the sand scattering  
I'm opening the double doors and jumping out  
I'm escaping from this spell  
Waking up from this dream in a maze

Shake me up, find me the answer in this nightmare  
Hold my hand, shine a light, so I can wake up  
What, what, what, what wake  
What, what, what, what me up  
What, what, what, what now  
Break up, break up my dream

(Tic tok tikita) the maze is closing on me  
(Tip toe tikita) like a hide-and-seek mirror  
My dream has shattered, hold my hand and believe me  
It's just us two, you and me, wake up my dream

This can't be a dream  
Even if the black clouds cover me  
What I can continue to see is you  
But why can't I hold you?

Shake me up, find me the answer in this nightmare  
Hold my hand, shine a light, so I can wake up  
What, what, what, what wake  
What, what, what, what me up  
What, what, what, what now  
Break up, break up my dream
