

## Fall Thru (Freestyle)

DreamDoll

Uh  
DreamDoll  
Uh-huh, yeah  
Fall thru, baby, fall thru

I'ma be there for him anytime he fall through  
Got the keys to the crib, he ain't gotta call, boo  
Give what to who? Ha, nah, this pussy all you  
Beat it up, beat it up, give it to me more, boo  
All these bitches mad 'cause they know they can't have you  
Throw subs all day, bet they won't tag you  
Them be the same hating bitches that'll flag you  
Liking all your pics but deep inside you mad, boo  
You ain't gotta spoil me, daddy I can spoil you  
There for you everytime, you know I am loyal  
You the king, I'm the queen, together we are royal  
Fell in love the first time that I ever saw you

All these niggas out here and I choose you  
But I sit back and I ask myself "why, why?"  
There's a million niggas out here in this world  
But you my number one  
These bitches need to fall the fuck back

Fuck calling up my pops, I'ma call up my zaddy  
Slide in my DM but they can't have me  
Tryna work it out, I really want this badly  
Put your name on my ass, I'll let you gas me  
I really wanna change but I'm a female savage  
Slim waist, fat ass, nothing like your average  
Turn you to a vegan how you tossing up my salad  
A1 student 'cause that brain was so valid  
Relationship goals and they really wanna be us  
Stay from my man, bitch, or we will have to meet up  
Don't believe me thot then ask the last bitch I beat up  
Bitch, you talking crazy, turn that frontal to a caesar

I told that stupid ass bitch "stay the fuck away from my man"  
But she tried me  
So I just gave her what she asked for  
Bitch, play with your pussy, don't play with my nigga  
'Cause I go hard for mine, OK?

He don't wanna ride with a sloppy hoe  
Boss bitch, my money up, your coins is low  
All these bitches mad 'cause they gotta go  
Better tell them hating bitch vamanos, oh  
She's a hood girl, bad girl, smart, petty, mad real  
She just wanna shine, hoe  
And last night was mad lit  
Good dick, backwoods  
Stop me while I talk, oh

Haha  
Na-na, na-na-na  
Life in Plastic Part 2 coming soon
