

Project Dick

DreamDoll

Hunnid, what? What? (Uh-huh)
What? (Shit) What?
What? What?
Uh, uh

I love a nigga from the projects, rough neck
Real ass nigga who don't play about me
Tatted up, rough sex
Tell me you can't go a day without me
Ain't too much for me to uphold
Dick that'll keep it but suck though
Freak ass nigga wit' a long tongue
Better put that thing in my butthole (Ooh)
I like Cici bags, diamond chains
Make sure a bitch updated
All you hoes be frustatin'
You bum ass hoes at the bus waitin'
Nigga be mad when he fuckin' witch
When he fuckin' with me he upgraded
He fuck you through his pee hole
He sleep wit' me butt naked
I'm a rich as bitch, fuck you thought?
Dreamdoll with a brand new deal
Iced out with these brand new heels
Broke hoes, keep stayin' still
Need a nigga with some thug in him
Credit card and the drugs with him
Somethin' 'bout that turn me on
If he in the streets, then I'm in love with him

I need some project dick
Long as he hood and rich (Hoo)
One that will grab my butt (Say what, say what?)
I will fuck up his bitch (Uh-uh)
I need some project dick (Go)
Long as he hood and rich (Hoo)
One that will grab my butt (Say what, say what?)
I will fuck up his bitch (Uh-uh)

Uh, look
With them niggas that bust their guns
With them niggas that up they funds
With the niggas that play the block
And come home and suck my tongue (Uhh)
With the nigga that roll the dice, drope the streets, still hold me tight
If shit go down, he gon' air it out
He let it got, but I know he fightin'
Ugly nigg feel safer too
Nigga let me get paper too
My new nigga had to chase a nigga
You know me, I had to chase him too
Bronx bitch, we with the shit, shit be lit
She ain't fight but bitch be hitch
She ain't look like a flick that switch
I don't miss him, but I miss that dick

I need some project dick

Long as he hood and rich (Hoo)
One that will grab my butt (Say what, say what?)
I will fuck up his bitch (Uh-uh)
I need some project dick (Go)
Long as he hood and rich (Hoo)
One that will grab my butt (Say what, say what?)
I will fuck up his bitch (Uh-uh)
Let's go

(What-what)

(Shit)
