

Pull Up (WYA)

DreamDoll

Come to my city though
Talk to me nice bitch or don't talk to me twice
Goodbye
Dreamdoll

I'm on the block, pull up
Skrt skrt, where you at? (Where you at?)
You a kid bitch, I sit you on my lap (on my lap)
Throwing subs, bitch get off the internet (internet)
Talking tough, we was never into that
I'm on the block, pull up
Skrt skrt, where you at? (Where you at?)
You a kid bitch, I sit you on my lap (on my lap)
Throwing subs, bitch get off the internet (internet)

Ass fat, they like "Damn what is that?" (What is that)
Black cars, pushing pieces to the max
We in Barneys, we in Neiman, we in Saks
At the game, courtside, where you at? (where you at?)
My diamonds clear, chandelier, you can stare
Said you getting all this money, bitch where?
Bitches faking just to make it
Had to glow up just to take it
Keep it a hundred in change
I spent a buck on a range
Dripping a watch and a chain
Skrt, you're not in my lane
Bitches hating, I ain't got no patience
I be waiting, send your location

I'm on the block, pull up
Skrt skrt, where you at? (Where you at?)
