

DreamDoll

Real freak bitch, make them bitches french kiss (ah ah)  
Ever seen a Barbie doll on some pimp shit? (ay ay)  
Let that nigga know he fuckin' with a rich bitch (mwah)  
But I still do some tricks on that dick tip

I play no games, leave a stain with my lipstick  
Starin' with my eyes, be surprised by his dick print  
This pussy on his wishlist  
Lickin' all his fingers like it's red tips (ah)  
Splish splash splash  
Why you tryna kiss me?  
You just finished eatin' ass (ew!)  
I think I'm gonna pass  
Head was kinda uh but the dick was pretty trash

Real freak bitch, make that bitch french kiss (french kiss)  
Ever seen a Barbie doll on some pimp shit? (ay ay)  
Let that nigga know he fuckin' with a rich bitch (mwah)  
But I still do some tricks on that dick tip (what we doin'?)

I'm 'bout to wet him up like a water park  
Then I hop straight on top  
Like my bitch Cardi when she on the charts  
(You nasty)  
Look, come touch on my body parts  
This pussy be a snack  
So I got him pushin' me up in a shoppin' cart  
I'm too big for that  
Pussy good, that been a fact  
Pussy lips like a Big Mac  
Put it on his breath like a Tic Tac  
Yeah, I did that  
Switch sides like a Gemini  
Then give me more head than a wig cap  
He asks "how you want the D?"  
I said "big and bold, you can put it in caps, no pressure"  
Leave a tip on the dresser  
Now my face lookin' like a chalkboard  
'Cause his cum taught me a lecture, ooh ooh ooh  
Never get bored when I fuck on that cock  
Changed my name in the bed like IHOP  
Pussy feel goldie after feelin' his locks  
Play this for Chyna when sucking up Rob

Got no time for limp dick  
No smooth talk, no pimp shit  
No whack game, no simp shit  
Just put your mouth on these pink lips  
That good head, you think quick  
My pussy wet, it sinks ships  
That dick good, we link quick  
I cum hard, no drip drip  
My shit goes splish splash  
Ride dick like Six Flags  
His hands grab my big ass

I ain't callin' back if that shit trash, like uh  
Lickity-lickity, split  
Cummin all over the dick  
Lick it right off of the tip  
He said that my room look like a sex shop  
Give me wood and some head I call that desktop  
He fuck me so good, he took my ex spot  
I'ma love him long time till them checks stop

Real freak bitch, make them bitches french kiss (ah ah)  
Ever seen a Barbie doll on some pimp shit? (ay ay)  
Let that nigga know he fuckin' with a rich bitch (mwah)
