

August

Dreamer Boy

Amazing
How the time flies when you're having fun (Having fun)
Isn't it amazing
How the time flies when you're in love (You're in love)
Only a year ago
Three sixty-five on the dot
Only a year ago (year ago)
I fell in love with your smile
Where do the days go?
My best friend
My August sun
My everything
Where does the time go?
My best friend
My heart of gold
My everything

Shes the one
(Don't fall don't trip)
All along
(Don't fall don't trip)
Shes the one
(Don't fall don't trip)
All along
(Don't fall don't trip)
Shes the one
(Don't fall don't trip)
All along
(Don't fall don't trip)
Shes the one
(Don't fall don't trip)
All along
(Don't fall don't trip)
