

# Harmony

Dreamer Boy

I saw you  
I was pruning like a shower  
Dizzy like a tower  
Loving like a flower

I know you  
You were all I ever noticed  
Hair is like the roses  
Eyes are like the ocean

I feel lost, like a child in a drugstore  
Looking for my mother  
And waiting for the summer

I love you forever  
I love you forever (Oh, yeah)

I love you forever  
I love you forever (No, no)

I love you forever  
I love you forever (No, no)

Spent our day throwing baseball in the backyard  
Friends come through the side door  
Mail is in a pile

You live in a place  
Where you have to take the train home  
Wintertime is painful  
Fall is like a paintbrush

My heart lives in the southern part of Texas  
Wear it on a necklace  
Interstates are endless

I love you forever  
I love you forever (Oh, yeah)

I love you forever  
I love you forever (No, no)

I love you forever  
I love you forever (No, no)
