

# OVER EVERYTHING

Dreamer Boy

I remember when  
It was only us  
Over everything  
No matter what  
We were in love  
Under the sun  
Now it's getting colder  
I'll be the one  
I'll be the one  
With you when it's over

Feel like I'm falling  
Was speeding now stalling  
I drove an hour on the weekend  
Just to be where you were dreaming  
I been bending over backwards for you  
But all those miles never seem to matter  
Anyway  
We're caught up in a cycle, it's true  
And I don't want to spin the same way

I remember when  
It was only us  
Over everything  
No matter what  
We were in love  
Under the sun  
Now it's getting colder  
I'll be the one  
I'll be the one  
With you when it's over

I remember when  
It was only us  
Over everything  
No matter what  
We were in love  
Under the sun  
Now it's getting colder  
I'll be the one  
I'll be the one  
With you when it's over

Going out  
In my nike checks like I'm running races  
Too fast  
Down the wrong road forgot what I'm really chasing  
Green grass  
I hopped the fence found out that shit spray painted  
Oh there I go  
I know you told me so

I remember when  
It was only us  
Over everything  
No matter what  
We were in love

Under the sun  
Now it's getting colder  
I'll be the one  
I'll be the one  
With you when it's over

I remember when  
It was only us  
Over everything  
No matter what  
We were in love  
Under the sun  
Now it's getting colder  
I'll be the one  
I'll be the one  
With you when it's over

Up above  
Everything  
I'm so high  
I see you, you  
Up above  
Everything  
I'm so high  
I see you, you
