Without Me

Dreamhouse

Found you when your heart was broke
I filled your cup until it overflowed
Took it so far to keep you close
Keep you close
I was afraid to leave you on your own

I said I'd catch you if you fall
And if they laugh then fuck 'em all
All
And then I got you off your knees
Put you right back on your feet
Just so you can take advantage of me

Tell me how's it feel sitting up there
Feeling so high but too far away to hold me
You know I'm the one who put you up there
Name in the sky
Does it ever get lonely

Thinking you could live without me
Thinking you could live without me
Baby I'm the one who put you up there
I don't know why
Yeah I don't know why

Thinking you could live without me
Live without me
Baby I'm the one who put you up there
I don't know why
I don't know why

Gave love about a hundred tries
Hundred tries
Just running from the demons in your mind
Then I took yours and made 'em mine
Made them mine
I didn't notice 'cause my love was blind

I said I'd catch you if you fall
And if they laugh then fuck 'em all
All
And then I got you off your knees
Put you right back on your feet
Just so you can take advantage of me

Tell me how's it feel sitting up there
Feeling so high but too far away to hold me
You know I'm the one who put you up there
Name in the sky
Does it ever get lonely

Thinking you could live without me
Thinking you could live without me
Baby I'm the one who put you up there
I don't know why
Yeah I don't know why

Thinking you could live without me
Live without me
Baby I'm the one who put you up there
I don't know why
I don't know why

You don't have to say just what you did
I already know
I know
I had to go and find out from them
So tell me how's it feel
Oh woah

Tell me how's it feel sitting up there
Feeling so high but too far away to hold me
You know I'm the one who put you up there
Name in the sky
Does it ever get lonely

Thinking you could live without me
Thinking you could live without me
Baby I'm the one who put you up there
I don't know why
Yeah I don't know why
