

A New Beginning - Panterei Part Iii

Dreamscape

Years have past
Waters ran softly
The sea is calm tonight
The tide was full
Sweet is the nightair
On broken wings you can't fly

Seven years
We both were parted
Once an innocent mind
In delay there lies no plenty

Years have past
Waters ran softly
The sea is calm tonight
The tide was full
Sweet is the nightair
On broken wings you can't fly

A gentle spirit flows around me
When I went on to ease pain
Eternal note of crimson sadness
And morning breaks in summer's rain

Sorrow to sorrow as you flied upward
Turning around like wave
Sorrow to sorrow she trailed in the dust
Counting the steps of the sun

The drew of morning
On sinking fire
This starry rise and fall
The land of dreams in children's eyes
Is tumbling down into the thorns of life

Time went on
Transcending the unknown
Once an innocent mind
Falling in the abyss of heaven
Phoenix helpless child

Years have past
Waters ran softly
The sea is calm tonight
The tide was full
Sweet is the nightair
Out in the tranquil bay
