Dreamscape

It's time to choose again  
It's hard though I can feel disgrace  
Truth is in disguise  
[?] my own hand  
Where are the answers to the problems ?  
Can't find the answers

Hold on for yourself  
Hold on to yourself  
Decisions

Now I'm back again  
[?]  
Wish I had a proof  
That I had made a right decision  
Where are the answers to the problems ?  
Can't find the answers

Can I carry on believing  
In a laugh I've [?] today  
In a trance-like state I stay
