

Final Thoughts

Dreamscape

healing of loneliness
I got an empty head
where am I going to ?
tell me, is this the end ?

what lies behind the door ?
what am I going to find ?
his peace, a final path ?
or is this another way into the light ?

what is life if this is the pain ?
certain death crawl in my brain
only crawls

how far is eternity ?
[?]
is there a chance for me
to flee from the cold and find a place of peace ?

what is life if this is the pain ?
certain death crawl in my brain
only crawls

(touch me, feel love)

[?]
it's time for the final breath
hope you remember me
I feel the wings of death
oh...
